IN CASE OF AN EMERGENCY

-Call 911

-Tell them you have a medical emergency.

-Tell them where you are. (Antique Acres 7610 Waverly Road)

-Tell them to send out Janesville First Responders.

-Tell them if you need an ambulance. (or whether the First Responders should determine that)

Preserving the Past for the Future

Antique Acres, Inc. was incorporated in 1964 from what started in 1956 as the Black Hawk Steam Engine Club. The Black Hawk Steam Engine Club held annual shows at different farm locations around the Cedar Falls/Waterloo area. In November 1963, the Club agreed to purchase 80 acres, which has become the permanent home of Antique Acres.

After acquiring the land, the Corporation built a utility building with kitchen, hot and cold showers and restrooms for both men and women. Over the years, a black smith shop was built, two Quonset buildings were purchased, a windmill was donated, a steel building was erected for steam engines, a souvenir booth was built, and a 40 & 8 Club Boxcar Museum was brought out to display.

There has been a Show on the grounds every year since 1964. The Show was originally called "The Thresherman's Field Days" until 1974 when it was named "Old Time Power Show". Shows were originally held in September, then moved to August in 1972.

Our motto is **"*Dedicated to the preservation and operation of antique machinery.*"** Our members restore and preserve antique equipment for future generations to enjoy. Our ambition is to continue to have a bigger and better show each year.
